

Incredibly quick high-performance 2 in 1 drill bit for tiles (in rotation mode) and vibrated concrete (with hammer function), thanks to its precise and long-lasting cut carbide cutting insert.

- Especially for tiles and earthenware
- Especially for concrete and construction materials
- Maximum long life
- Incredibly fast drilling
- Precise drilling

- High-strength steel
- Carbide cutting insert
- Cylindrical attachment

Ø 4- 5- 6- 8- 10mm - CLIPSTER Case

Machine

Application

Concrete Tiles

Features

Properties and benefits

- + High strength steel body: body designed in a grade of steel designed for thermal processing, enabling excellent power and torque transmission. ➡ Enables optimal power and torque transmission to the head of the tool.
- + Ground carbide cutting insert: carbide cutting produced by means of a special grinding process performed on its two cutting edges, for excellent sharpness ➡ Enables the clean and precise cutting of materials. Simple centring of the tool.
- + Cylindrical shank: cylindrical attachment for all types of machine equipped with a 3-jaw chuck. ➡ Universal and safe attachment, suitable for all drills equipped with a 3-jaw chuck.
