

High performance milling cutter for routing aluminium profiles. Made in France.

- Especially for aluminium
- Effective Chips removal
- Excellent surface finish
- Made in France

**Machine**

**Application**

N1-  
Aluminum  
alloy

**Features**

Item number M3	EAN (13 digits)	M3	Cutter diameter	Handle diameter or CM	Total length	Trimmed length	Number of teeth
82329710200	3221910793708		2	2	38	10
