

8236541 | Z3 DIN6527L helical carbide slotting end mill with ALCRONA coating. 30° e8 Long Chamfer

High performance milling cutter for grooving. Versatile use. ALCRONA coating improves cutting conditions and resistance to oxidation. Made in France.

- Versatile use
- Effective Chips removal
- High speed machining
- Maximum long life
- Made in France

- Monobloc carbide + PVD

Machine

Application

Features

Properties and benefits

- + Monobloc carbide + PVD : Tool body made of solid tungsten carbide (HM) with a PVD coating. ➡ Allows for better chip evacuation. Extends tool life and optimises cutting conditions.
