

Elimination of dirt, rust, mouldy paint, and grime; cleaning of joints, of plastic coating

- Steel wire
- Brass-coated steel wire
- Nylon fibre

1 crimped steel wire hand brush + 1 crimped brass wire hand brush + 1 nylon bristle hand brush

Properties and benefits

- + Steel wire: bristles that are highly resistant to wear and traction → Enables stripping, rust removal, and the deburring of all your surfaces.
- + Brass-coated steel wire: very strong brass-coated bristle with good, aggressive brushing → Enables stripping and rust removal from all your surfaces. The coating gives the product a longer lifespan.
- + Nylon fibre: flexible bristle with integrated abrasive for slightly aggressive sanding → Enables the light stripping of all your surfaces. It is very flexible and will not damage your surface.
