Machine **Application**

Shelves Terrace

Features

Properties and benefits

- + Double tooting: blade with a double cutting edge, thanks to its teeth running all the way around. ↻ Enables cutting in any direction, without turning your saw around. You save time and energy, for optimal comfort.
- + Laser cut: laser cut rectangles along the entire length of the blade. ↻ Enables clean, precise, and straight cutting on a surface with low friction. Simple chip removal, for faster cutting.
